Ani Williams—World-renowned recording artist, composer, author and sound therapist developed Songaia Sound Medicine in 1992. She studied Voice Analysis with **Sharry Edwards** of Sound Health Options & Planetary Tone healing with **Oded Mansura** of Israel. Her approach is modeled on the Pythagorean and neo-Platonic sound academies. Ani has more than two decades of experience training and serving clients worldwide.

“A million thanks for a brilliant life changing Sedona retreat”

“I am filled with ecstatic motivation to share this sound work”

“Thank you so much for sharing this awesome technology!”
